Christianity - Easter
Keeping healthy and safe
Building an anti-racist school.

Numeracy

Mental calculation.
Decimals
Line Graphs

Music

Charanga Music School

History/Geography

Comparison between Brighton and Venice – land use/geology and tourism

DT

Pizza making

Trip to Pizza Express

Languages

French – Directions and holidays

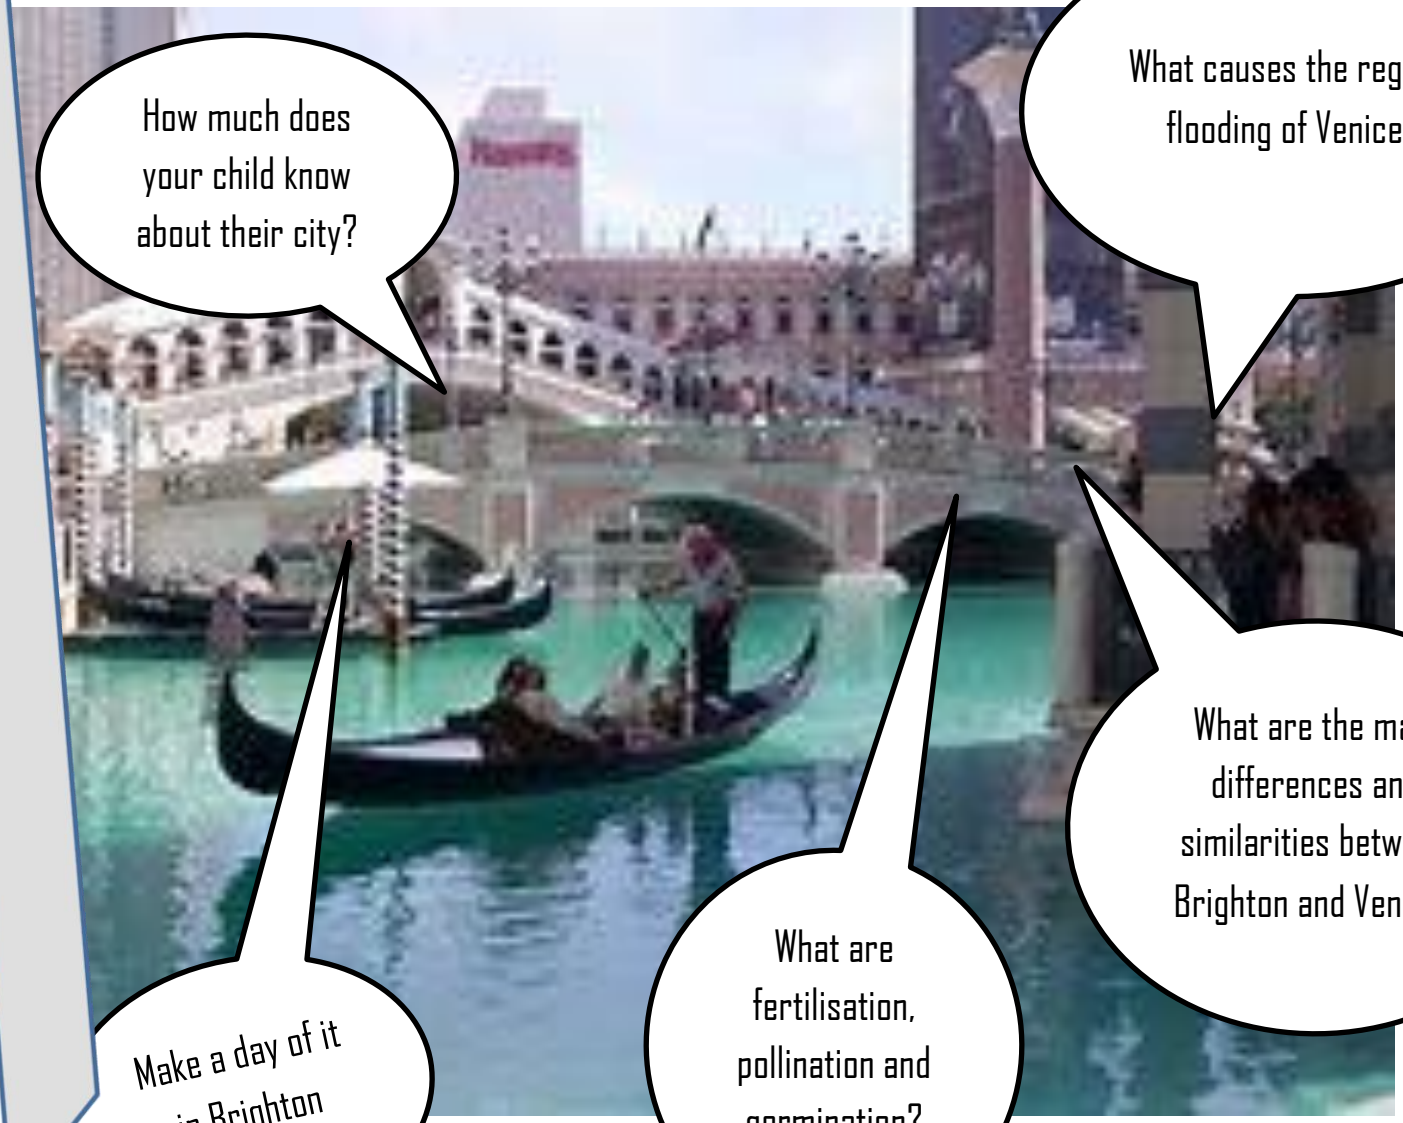

P.E.

Cricket and Badminton

Ways to help at home …

1. Visit a library or look online to find out more about Italy or Venice
2. Read with your child or talk to them about the books they are reading.
3. Find out why some places flood and review how the water cycle works.
4. Practise your child's mental maths skills. Do they know their times tables and number bonds? Can they multiply and divide by ten, hundred and thousand?

Don't forget! We are always here to help if you have any questions or a concern about your child's learning.

How much does your child know about their city?

What causes the regular flooding of Venice?

What are the main differences and similarities between Brighton and Venice?

What are fertilisation, pollination and germination?

Make a day of it in Brighton
